HT-PCB-027-09185A-RF-V01

ANT

2009.9.10

The PCB is populated with the following components:

- Capacitors: C1, C2, C3, C4, C5, C6, C7, C8, C9, C10, C11, C12, C13
- Resistors: R1, R2, R3, R4, R5
- Transistor: Q2
- Other components: A large toroidal inductor, several small surface-mount components, and a component labeled '101'.
