Re: Request for confidentiality

Applicant: Hunter Fan Company

FCC ID: IN2

To whom it may concern,

Request is hereby submitted by Hunter Fan Company to withhold from public review for a period of 45 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 45 days from the date of Authorization:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Parts list
- Test setup photos
- External photos (NOTE: External photos can only be held for short-term confidentiality)
- Internal photos
- User manual

Rationale for request for confidentiality:

Hunter Fan Company has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.]

If you have questions or need further information, please contact the undersigned.

Sincerely,

Manager of Compliance Engineering
Hunter Fan Company
