Ref: Label location for FCC ID: INWY8

FCC ID:
INWY8

Title/model:
Polar Stride Sensor Bluetooth® Smart providing speed, distance, leg cadence and stride length measurements. / Y8

To whom may concern:

In relation to the label location of the product Polar Y8 and according to KDB 784748 D01 Labelling Part 15 &18 Guidelines v07, Polar Electro Oy declares:

- The device is handheld
- Label is located in the battery compartment.
- The product is commercialized without the battery installed and so that the FCC identifier is visible at the time of taking it into use.
- To access to the battery compartment it is not required any special tools.
- The label is not placed on a removable part.
- The FCC ID and model Number are on the label and meet all general labelling requirements or policies.
