## **Re : Comparison List**

We, **Kenwood Corporation**, add one antenna to the model listed on "Approval Information" below.

### **1. Approval Information**

	FCC	IC
<b>Approved Model</b>	DNX6140	DNX6140
<b>Approved Product description</b>	GPS NAVIGATION SYSTEM	GPS NAVIGATION SYSTEM
<b>Approved date</b>	November 5 <sup>th</sup> , 2008	November 4 <sup>th</sup> , 2008
<b>Latest Grant/Certificate No.</b>	08218346/AA/00	08217125/AA/00

### **2. Antenna List**

	Product Name	Antenna Type	Remarks
1	T90-0588-05	Film type	Original antenna
2	<b>T90-0587-05</b>	<b>Patch type</b>	<b>Modification</b>

We will modify antenna documents into the ones of new antenna that is not related to RF characteristics. We have updated the test report with this new antenna information to reflect it.
