Re: § 2.933 Change in identification of equipment

To Whom It May Concern:

This change in identification of equipment request applies to the original FCC ID: QIPPLS8-X, granted on 08/06/2015. The equipment bearing the modified identification FCC ID: IOQ-PLS8X is electrically identical to the original equipment. Therefore, the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

A handwritten signature in black ink, appearing to be "Daniel Bartozzi", written in a cursive style.

Daniel Bartozzi
