

Statement of Class II Change

This report is prepared for FCC class II permissive change. Compare with the re-certified model, the parts which has been modified are the PCB layout as well as the housing of the new one.

The 1210 U/P with original design has been approved by FCC under FCC ID:IOW1210. The difference between 1210 U/P and 1220 U/P are outer appearance and the dimensions of PCB.
