March 8, 2011

To Whom It May Concern:

The CKC Laboratories, Inc test report number 91163-7 titled "Aviation VHF COM Transceiver, VHF COM XCVR" dated September 29, 2010 was not labeled with the unit model name and part number intentionally to prevent any possibility competitors would learn of the confidential new product.

The test report referenced above documents test results for the Garmin GTN 750, part number 011-02282-(), serial number 1ZA000027.

The report is applicable to FCC ID # IPH-01594 and Industry Canada certification number 1312A-01594 both of which include the following Garmin products: GTN 635, GTN 650, and GTN 750.

Sincerely,

A handwritten signature in black ink, appearing to read "Van Ruggles", written over the printed name.

Van Ruggles
Director, Quality Assurance and Certification
