Re: Class 2 Permissive Change to update RF Exposure exhibit

To Whom It May Concern:

This application submittal provides documentation in support of a Class II permissive change to update the RF Exposure exhibit. This equipment has been granted under FCC ID: IPH-02356, issued 11/19/2013. The equipment remains electrically identical as original equipment and information on record continues to apply. The change from the original application addresses the RF Exposure exhibit as the manufacturer has provided an updated exhibit. The form 731 and application have been electronically submitted and any attachments will be uploaded to your web site for use in obtaining grant of certification. Should you require any further information, please contact the undersigned. Thank you.

Sincerely,

Scot Rogers
