RE: Short Term Confidentiality Request for FCC ID: IPH-03071

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Garmin International Inc. requests Short-Term Confidentiality for the following exhibits of this application for a period of 45 days after grant is issued:

- Test Setup Photos
- External Photos
- Internal Photos
- User's Manuals

These documents contain detailed system and equipment descriptions and related information about the product, which manufacturer/applicant considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

David Utt
