Re: Class 2 Permissive Change  
FCC Rules: Parts 2 and 15C

To Whom It May Concern:

Please find provided documentation supporting a Class 2 Permissive change Request for the authorized product IPH-03190 (granted 8/30/2017). The design remains electrically identical and change to original application involved software to enable the circuitry. The form 731 and application have been electronically submitted and any attachments will be up loaded to your web site for use in obtaining a grant of certification. Confidentiality is requested as outlined below.

## **Permanent**

Garmin International, Inc. requests that the material in the **Schematics, Block Diagram, and Operational Description** be withheld from public disclosure pursuant to Sections 0.457 and 0.459 of the Commission's Rules following grant of the application.

A statement of confidentiality will be attached with the application at the time of submittal.
