

E-Label Information

The following specific instructions are provided in the Quick start Manual that ships with the device:

Accessing the Manuals from the Web

You can get the latest owner's manual and translations of manuals from the Garmin® website. The owner's manual includes instructions for using device features and accessing regulatory information.

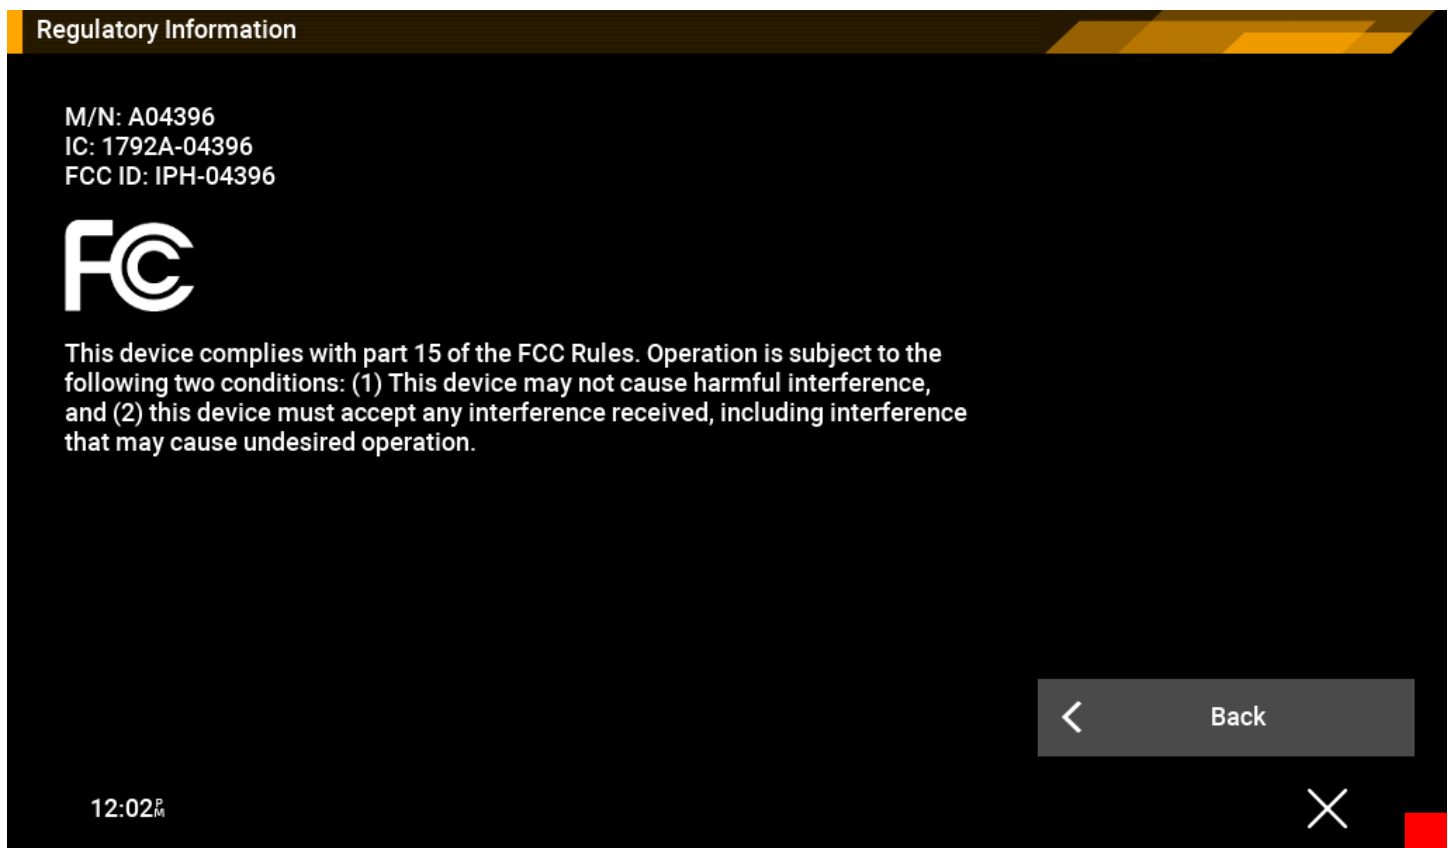

1. Go to garmin.com/manuals/
2. Select the *Owner's Manual*

The following are the specific instructions provided in the owner's manual that is provided at garmin.com/manuals/

Viewing E-label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

1. Select **Settings**
2. Select **System**
3. Select **Regulatory Information**

This Regulatory Information page is accessible directly from the device using the keypad without special accessories.

The above M/N, FCC ID, and IC numbers can also be found printed on the product packaging.

The above information is programmed by Garmin in such a manner that third parties cannot modify it.

The Product Marketing Name, Serial Number, and Country of Origin are permanently labeled on the rear of the device.
