## CETECOM Change Declaration

**Company Name:** Garmin International

**Model Name:** AA3111

**Previous HW Version:** fleet 790 HW version 0

**Previous SW Version:** 2.30

**Current HW Version:** fleet 780 HW version 0

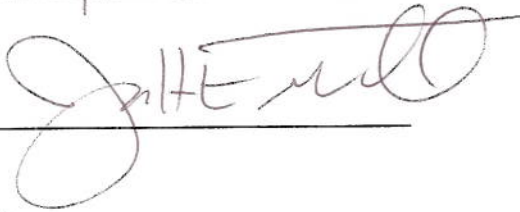

**Current SW Version:** 2.30

**List of Changes:**

Description of Change	Reason for Change	How the Change is Implemented
Design the fleet 780 such that it does not have the cellular modem that is in the fleet 790	Re-use the HW and SW platform to provide cost savings and other efficiencies	The PCBs between the 790 and 780 are the same with the cellular modem not being populated on the 780. Also, the cellular antenna is not placed on the 780. Other radios and transmitters share the same design and implementation.

\* No other changes were made to the device.
