Date: November 28, 2018

Federal Communications Commission
OET Laboratory Division Equipment Authorization

Subject: URGENT Request for Dismissal of Application for FCC ID: IPH-A3405

Applicant: Garmin International, Inc.
1200 East 151st Street
Olathe, KS 66062

Dear Sirs:

Garmin International, Inc. requests the immediate dismissal of the application for FCC ID: IPH-A3405, Final Action Date 11/26/2018, and the removal of all exhibits and grants from the FCC web site, due to internal Garmin considerations. The application contains company sensitive information that will seriously compromise a very important marketing announcement at our biggest trade show of the year.

We attest that none of the products bearing the FCC ID number in question have been marketed or sold in the United States nor anywhere in the world.

We would like to resubmit at a future date yet to be determined and retain the same FCC ID number. Please advise if we may re-use the same FCC ID# when we re-file.

Sincerely,

A handwritten signature in blue ink, appearing to read "Doug Burroughs", written over a horizontal line.

Doug Burroughs
Senior Compliance Engineer
