Re: Request for Dismissal Without Prejudice
FCC IDs: IPH-A3851
 Equipment Class: Part 15(c) Low Power Communication Device

To whom it may concern:

Pursuant to 47 C.F.R. 1.934(a)(1)(ii), Garmin International, Inc. (the “Applicant”) hereby requests that the Federal Communications Commission (the “FCC”) dismiss without prejudice **FCC ID: IPH-A3851**. Information on the grants associated with each FCC ID subject to this Request for Dismissal Without Prejudice is provided in the table below.

FCC ID	TC Number(s)		Grant Date
IPH-A3851	TC362181		04/04/2022

Applicant represents and warrants that no product with this FCC ID identification **FCC ID: IPH-A3851** has been placed on the market, offered for sale, sold or delivered, domestically or internationally, or imported anywhere other than what may have been or may be permitted under the conditions not for sale in by C.F.R. 2.1204.

The Applicant has determined that new technology has become available which we wish to incorporate into the product. Because of this new technology the application associated with **FCC ID: IPH-A3851** will require additional testing and evaluation. The Applicant is preparing materials for submission as soon as practicable and intends to re-use this FCC ID. Therefore, the Applicant respectfully requests that this Request for Dismissal Without Prejudice be considered without delay.

Should you have any questions related to this matter, please contact me for additional information.
