 *Tarjeta microSD™ de clase 10 no incluida

TIP: To hide the 4 m (13 ft.) cable, route it behind the vehicle trim along the windshield, doorframe, or dash.

ASTUCE : pour masquer le câble de 4 m (13 pi), faites-le passer sous le ciel de toit le long du pare-brise, de la portière ou du tableau de bord.

SUGGERIMENTO: per nascondere il cavo da 4 m (13 piedi), passarlo dietro all'allestimento del veicolo lungo il parabrezza, lo sportello o il cruscotto.

TIPP: Verlegen Sie das 4 m (13 Fuß) lange Kabel hinter der Verkleidung des Fahrzeugs entlang der Windschutzscheibe, des Türrahmens oder des Armaturenbretts, damit es nicht zu sehen ist.

SUGERENCIA: Para ocultar el cable de 4 m (13 ft), colócalo a lo largo de la moldura del parabrisas del vehículo, del marco de la puerta o del salpicadero.
