RE: Change of FCC and IC ID request

Garmin International, Inc. ("Company") has contacted Harman Becker Automotive Systems GmbH ("HBAS") regarding Company's intention to file applications for a change in identification in the United States pursuant to Section 2.933 of the Federal Communication Commission's ("FCC") rules with respect to the following:

- FCC ID: **T8GMGUFA**
- IC: **6434A-MGUFA**

This product is in certification by HBAS right now.

For the equipment there is no change in design, circuitry, or construction.

HBAS still continues to market and sell the same product, but also wants to permit Company to market the same product under a different FCC ID and IC ID.

Company has requested HBAS permission to reference, in Company's application, certain documentation relating to the equipment identified above. This letter is provided to allow

- Company: Garmin International, Inc.
- Address: 1200 E. 151st Street, Olathe, Kansas 66062, USA

to use the publicly available test data and application exhibits submitted to the FCC on behalf of HBAS with respect to the equipment identified above pertaining to the grant of equipment certification covered by this letter.

This permission to act using data and application previously filed with the FCC on behalf of HBAS is limited to the matters set forth herein. This letter does not, and shall not be construed to, grant rights or permissions beyond those expressly granted to the party named herein. This permission expires automatically one year from the date of this letter.

If you have any questions concerning this letter, please contact me at the email address or phone number listed below.
