

E-Label Information

The following specific instructions are provided in the Quick Start Manual that ships with the device

Viewing E-label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

- 1 From the settings menu, select **DEVICE**.
- 2 Select **ABOUT**.
- 3 Select **REGULATORY INFO**.

Access to regulatory information does not require a special code, accessory, or permission beyond the normal security protection to unlock the screen, sign-in page, or product access.

The regulatory information is secured and implemented in a factory-set-unalterable format that ensures that the information correctly displayed.

FCC ID: IPH-A3851

IC: 1792A-A3851

M/N: AA3851

Contains

FCC ID: IPH-03302

IC: 1792A-03302

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The above M/N, FCC ID, and IC numbers can also be found printed on the product packaging
