Re: FCC ID: IQ5-VOY1-2

To Whom It May Concern:

The following application is submitted on behalf of our client Data Flow Systems Inc. for evaluation of their model Voyager 1 Radio for certification under FCC Part 90.

The Voyager 1 Radio is a digital communications data radio that operates between 217-220 MHz under the Part 90.259. Documentation contained in this filing may include information related to additional frequency bands of operation, however those bands will be address is separate equipment authorizations and shall not be included in this application.

The device was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive style with a large, stylized 'R'.
