

WeatherLink Live setup  
is as easy as 1, 2, 3.

**STEP 1**

Download the "WeatherLink" app.

**STEP 2**

Go to Accounts >  
WeatherLink Live > Add

**STEP 3**

Follow step-by-step  
installation prompts.

**But wait. There's more...**

The power cord and ethernet cable  
are hiding under this panel.

**Download the user manual.**
