This information has not been disclosed to the public or to a third party. This information pertains to a product that is subject to competition in a highly competitive market and disclosure of this information might enable a competitor to benefit improperly from our hard-won intellectual property. Additionally this product will only be sold to Hospital maternity and pediatric wards and will not be sold directly to the general public. The product is professionally installed through a dealer network and is not viewable by, the general public. It is a sealed product, batteries are not changed, and is a throw away device once it stops to function. Disassembly will destroy the unit. A fresh battery was employed during testing. We would request a period of ten (10) years of protection.

Should you have any questions on this matter, please do not hesitate to contact us. Thank you for your attention is this matter.

Sincerely
