Re: About the modification of [SCANNER](#)

Gentlemen:

I, hereby, declare that all modification on the E.U.T.,
FCC ID: [ITEUECMINI2K](#), will be added or layout on the mass production
products. Modifications are shown as below:

1. Added a ferrite core on shielded I/O cable at scanner end.
(As the photo No.1)
2. Added a ferrite core on FFC and the rear side of FFC was shielded.
(As the photo No.4)

Sincerely yours

Robert Chen
Manager
