Subject: Request for Confidentiality for FCC ID: IVS1500B and IC: 6265A-1500B

Pursuant to 47 CFR 0.457(d) and 0.459 and IC RSP-100, Section 10, the applicant requests that parts of the subject FCC and IC applications be held confidential:

Type of Confidentiality Requested	Exhibit
Long-Term / Permanent	Block Diagram
Long-Term / Permanent	Operational Description
Long-Term / Permanent	Parts List & Placement/BOM, Component Specifications
Long-Term / Permanent	Schematic Circuit Diagram

TouchTronics, Inc. requests that the exhibits listed above be permanently withheld from public review. We understand that until such time that Industry Canada distinguishes between Short Term and Long-Term Confidentiality, either type of indicated exhibit above will simply be marked Confidential when submitted to IC.

In support of the Request for Confidentiality, we state the following:

Enclosed within this application is technical information which we deem to be trade secrets and proprietary information not customarily released to the public. If made public, the information might be used to our disadvantage and result in financial hardship.

To assist in assuring that we receive the full value of our product and protect its competitive posture, we respectfully request this grant of confidentiality.

Sincerely,

David W. Evans  
Senior Design Engineer
