[TCB Review Comments for \(Universal FCC ID: IXMCTE630BT\)](#)

-EMC-

Question #1: Users manual missing FCC regulatory statement. Please revise users manual to

include it.

Question #2: label format: Please modify module ID to "**This device contains** FCC ID: IXMBM-GP-CS-03" to avoid the confusion of which is mail product ID. The current product ID is OK, you just need to modify included Bluetooth module ID.

Best Regards
