FCC

SUBJECT: UNIVERSAL SCIENTIFIC INDUSTRIAL CO., LTD. FCC ID: IXMET-0405

To Whom It May Concern:

The only difference between this EUT and the originally certified EUT is the dimentions of the pad, it was 206 x 227 x 10 mm and it was changed to 216.1 x 218.9 x 9.3 mm. The remainder of the EUT is the same as it was originally approved.

Sincerely,

Sid Sanders
