FCC Application for FCC ID: IYFTTX650

To Whom it may Concern:

We wish to terminate this half uploaded FCC entry for FCC ID IYFTTX650 and proceed a new upload by a TCB under the same FCC ID. The filing was never completed by us because we think when submitted ourselves online some application material in advance can promote the entire FCC Certification process. This is due to our lack of understanding on the FCC certification rules. Previously we had submitted a FCC - Application 731 form only and did not submit any other application materials. So we wish to terminate this half uploaded and appoint the agent for this matter. The new upload is from Mr Mark. Koop of Teleconformity.

Best regards

Sincerely,  
Hobbico, Inc.
