Subject: Request for Confidentiality

FCC ID: IYGPTB500

To Whom It May Concern:

In accordance with paragraph 0.459 of CFR 47, SpectraLink Corporation requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)
3. Circuit Description (Exhibit 12)

These items contain detailed system and equipment description and related information about the product which SpectraLink Corporation considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, SpectraLink Corporation also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
