Subject: Lexmark International, Inc. request for Class II permissive change of FCC ID: IYL5056

Reference: [1] 47 CFR §§ 2.932, 2.1043
[2] Public Notice DA 04-1705
[3] 47 CFR §§ 0.457, 0.459

Dear Sir or Madam,

Submitted herewith is a request for approval of a Class II permissive change of equipment previously granted an equipment authorization under FCC ID IYL5056.

The equipment changes involve modification of the values of discrete components used on the antenna printed circuit board. The new values are provided in exhibit DESCRIPTION OF MODIFICATIONS 062305.

Lexmark International requests, pursuant to [2] and [3], that portions of the material contained in this request be indefinitely withheld from public inspection following the grant of authorization. This material contains information relating to the circuit design and function that could be beneficial to Lexmark's competitors. Those items requested to be held confidential indefinitely are the following:

1. Circuit diagrams in exhibit DESCRIPTION OF MODIFICATIONS 070505.

Lexmark International's FRN number is 0005-8474-70. No party to this report is subject to refusal or denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C 853.

Please contact me if there are any questions or if further information is required concerning this filing.

Sincerely,

A handwritten signature in cursive script that reads "John T. Fessler". The signature is written in black ink and is positioned to the left of a vertical line.
