Re: Lexmark International, Inc. application for the Lexmark 802.11 Wireless Module,
Regulatory type/model: LEX-M04-001

FCC ID: IYLLEXM04001

Gentlemen:

Lexmark International, Inc. requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this submission such that the identified material below will be withheld from public inspection following the grant of this authorization.

1. All Schematics.
2. Block diagrams.
3. Theory of operation (Operational Description)
4. Parts list.

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Lexmark does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 859-825-4432, by fax at 859-232-7345, by email at bugbee@lexmark.com, or by correspondence at the address indicated in the letterhead if there are any further questions or additional information needed concerning this filing.

Regards,

Thomas C. Bugbee
Regulatory Engineer,
Lexmark International, Inc.
