Re: Lexmark International, Inc. application for wireless card Lexmark N2050, model number 2010-001
FCC ID: IYLN2050
IC ID: 2376A-N2050

To Whom It May Concern:

Lexmark International, Inc. requests, pursuant to DA 04-1705 as well as Sections 0.457 and 0.459 of CFR 47, temporary post grant confidentiality for portions of the material contained in this submission such that the identified material below will be withheld from public inspection until September 26, 2006 following the grant of this authorization.

1. Schematics
2. Block Diagram
3. Theory of operations
4. Product photos
5. Test photos
6. Users guide
7. Label information

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Lexmark does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 859-232-3512, by fax at 859-232-3014, by email at klavem@lexmark.com, or by correspondence at the address indicated in the letterhead if there are any further questions or additional information needed concerning this filing.

Regards,

A handwritten signature in black ink that reads "Michael S. Klave".

Michael Klave
Regulatory Engineer,
Lexmark International, Inc.
