Subject: Confidentiality Request

FCC ID: IYLN8050

Products:
Lexmark MarkNet N8050 model 4034-850
Dell 5210 / 5310 Wireless Option model 4034-d50

It is requested that the following items associated with this submission be held confidence in accordance with FCC Rule Section 0.459:

- a) Schematics
- b) Technical Description
- c) Block Diagrams
- d) Parts List

The reasons for withholding the above materials from inspection are trade secrets and substantial competitive harm. The above exhibits contain designs and information proprietary to Lexmark International, Inc. This information is available only for internal company use, and is not available publicly. Public release of this information would allow competitors to copy key elements of Lexmark International, Inc.'s design, and also provide them with engineering specifications that have been based on Lexmark International, Inc.'s many years of experience. We feel that this material should be held confidential in perpetuity, because the trade secrets that are based on Lexmark International, Inc.'s years of experience will always be applicable to the design of a similar product.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Knight", is written over a light blue horizontal line.

Thomas Knight
Vice President, Digital office Products
