October 24, 2006

To whom it may concern:

We the undersigned, hereby authorize CKC Laboratories, Inc., to act on our behalf in all manners relating to application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by CKC Laboratories, Inc., on our behalf shall have the same affect as acts of our own.

Our current request is regarding the current FCC approval IYLRJ596. The original approval covered a wireless network card referred to as "Dell RJ596". We are hereby submitting an ammended test report which includes references to a wireless network card "Lexmark 2006-001". These wireless network cards are identical but have differenct trade names and model numbers. We are requesting the inclusion of the Lexmark model in the current FCC approval based on a class 2 permissive change.

This authorization is valid until further written notice from Lexmark International, Inc.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michael Klave", is written over a horizontal line.
