

05. Februar 2004

Ref.: FCC ID: IYZ3314
Radio equipment authorization to FCC in USA for
RF transceiver Keyless Go FBS-C6 IDG

The transmitter will be supplied as an original equipment device to the car manufacturer. According to 47 CFR 15.19 (Labelling requirements) the car manufacturer will print the following text in the appropriate User Manual of the car:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference and**
- (2) this device must accept any interference received, including interference that may cause undesired operation.**

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
