

Ref.: FCC ID: IYZHH1
Radio equipment authorization to FCC in USA for
HH1

The transmitter will be supplied as an original equipment device to the car manufacturer.
According to 47 CFR Part 15 (labelling requirements) the car manufacturer will print the following
Text in the appropriate user's manual of the car:

NOTICE:

This device complies with Part 15 of the FCC Rules. Operation is subject to the
following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that
may cause undesired operation.

Changes or modifications made to this equipment not expressly approved by the
manufacturer may void the FCC authorization to operate this equipment.
