Compliance Statement in Car Manual / FCC ID IYZSE1

28/08/2019

Dear Sirs,

Our client's products with the above FCC ID code is a keyless entry / keyless start ECU.
The products will be installed in cars by our client's customer Polaris before they will be placed into the market.

Hereby our client assures that the following caution statement as per CFR 47, Part 15, § 15.21 will be included in the owner's manual of the cars:

The title "CAUTION TO USERS" or "FCC Warning:" "NOTE:" or relevant title and "Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

In addition our client also assures that the following statement will be included in the manual as per CFR 47, Part 15, § 15.19 (a) (3).

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

In order to comply with FCC/ISED/MIC RF Exposure requirements, this device must be installed to provide at least 10 cm separation from the human body at all times.

Yours sincerely,
