
EXHIBIT 8
EQUIPMENT PHOTOGRAPHS

This exhibit contains a series of digital photographs, as required by § 2.1033(c)(12) which reveal equipment construction and layout, including internal views showing component placement and chassis assembly.

Table E18.1. Equipment photographs—photo numbers and description.

Photo Number	Description
1	Top of Eagle II 900/1900 GSM Radio Module (shields removed)
2	Bottom of Eagle II 900/1900 GSM Radio Module (shields removed)
3	Top of Eagle II 900/1900 GSM Radio Module (shields in place)
4	Bottom of Eagle II 900/1900 GSM Radio Module (shields in place)

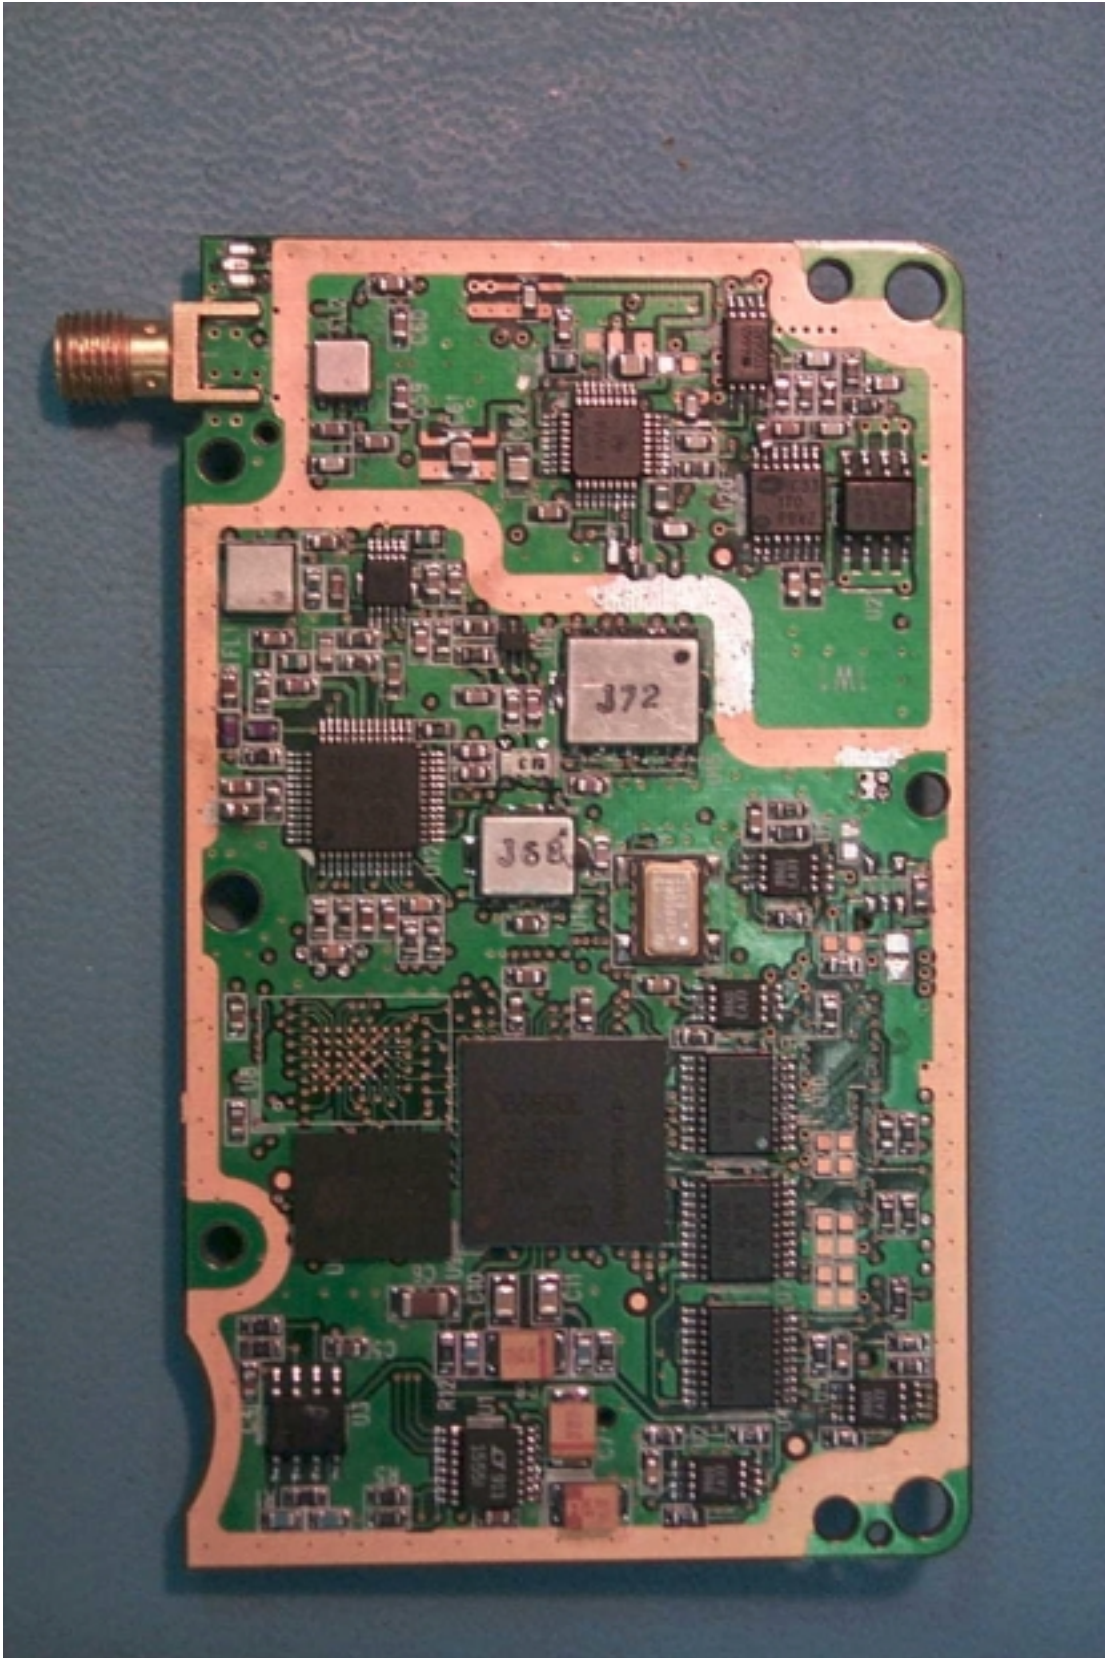

Photo 1. Top of Eagle II PCB (shields removed).

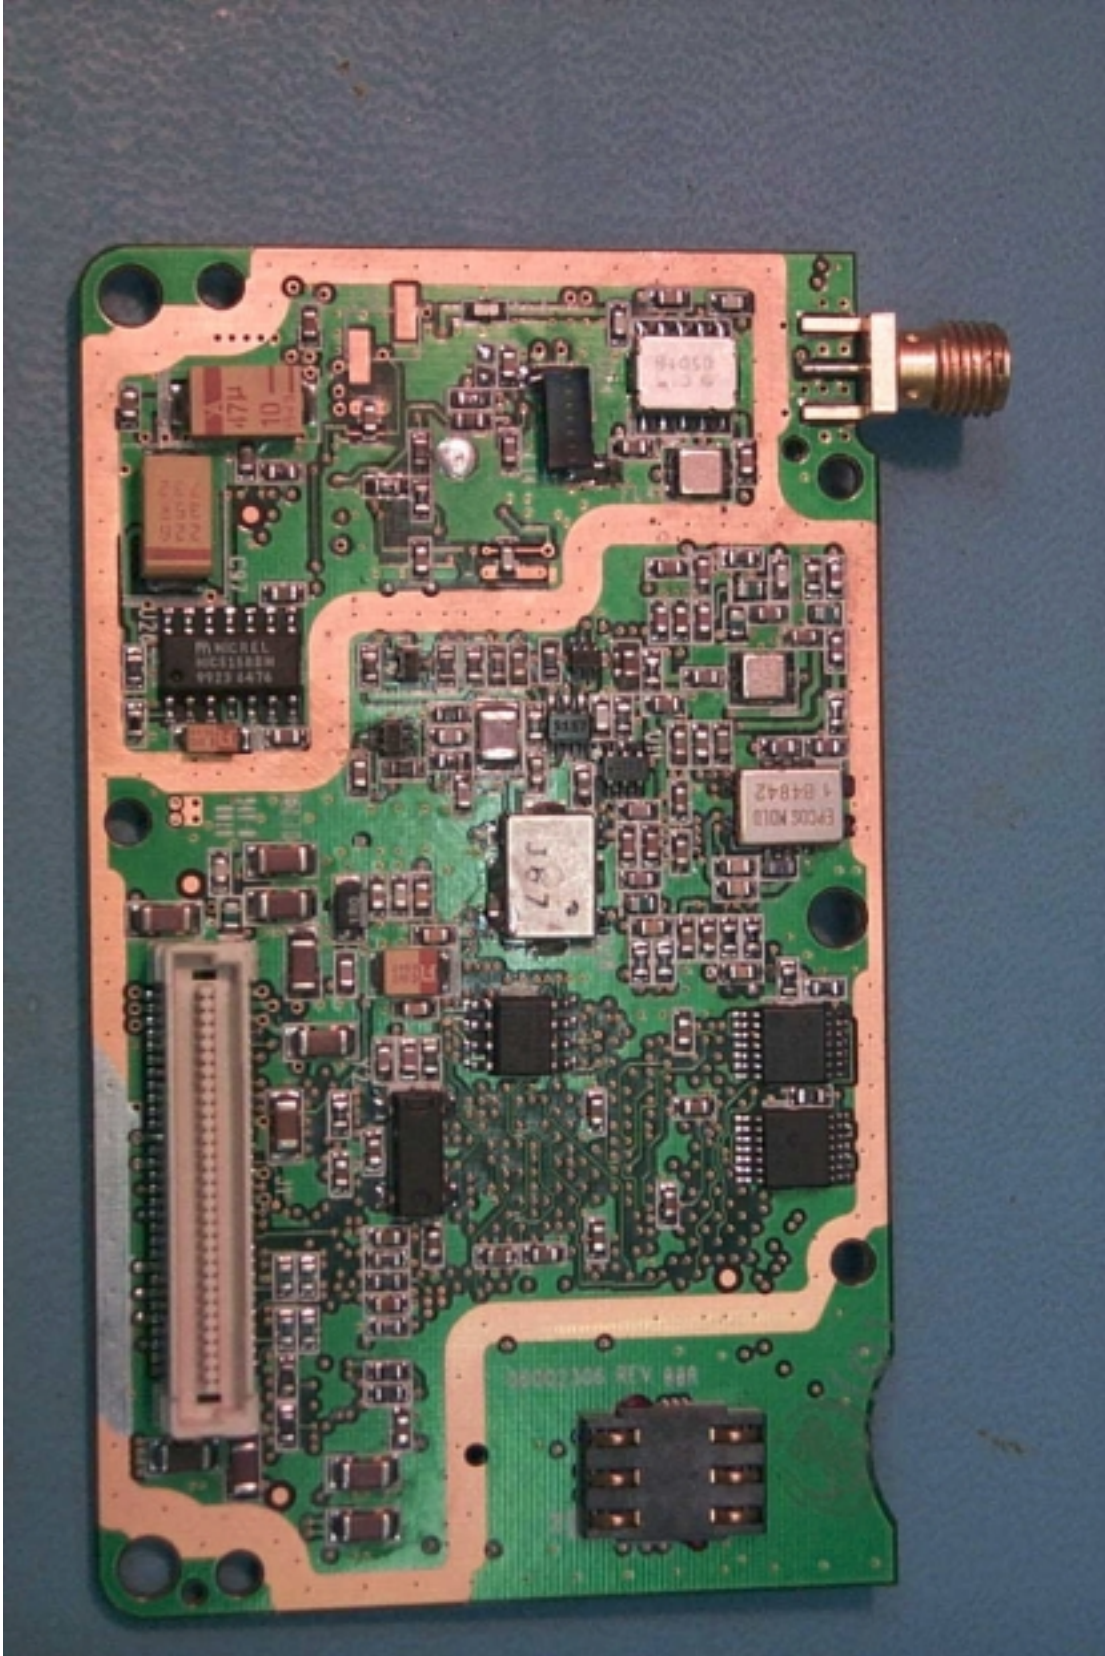

Photo 2. Bottom of Eagle II PCB (shields removed).

Photo 3. Top of Eagle II (shields in place).

Photo 4. Bottom of Eagle II (shield in place).
