Subject: Request for withholding from public disclosure the schematics, block diagrams, and theory of operation.

Gentlemen:

We, Xircom, Inc – an Intel Company would like to request that the schematics, block diagrams & theory of operation submitted with the application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules. This request is made under the provisions of Section 0.457 (d) of the FCC Rules and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials, which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions, please do not hesitate to contact us at 805-376-9300.

Sincerely,

James K. Baer
Global Compliance Manager
