Re: QUALCOMM Incorporated, justification to supersede prior Request for Confidentiality
FCC ID: J9CGOBI2000-H

To whom it may concern,

QUALCOMM Incorporated would like to request that the original Request for Confidentiality (FCC ID J9CGOBI2000-H, grant date February 17, 2010) be superseded with a new revision that includes the collocation guideline document in the short-term confidentiality request. The justification for this change is that the collocation guideline document includes a photograph of the host device that is subject to the same protections afforded in the original Request for Confidentiality.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Forrester". The signature is fluid and cursive.
