Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: J9CGOBI2000-L (Original Grant date: April 6, 2009)
Applicant: QUALCOMM Incorporated

Dear Sir/Madam:

QUALCOMM Incorporated is submitting an application for Class II Permissive Change to our Mini-PCIe wireless WAN card, model Gobi2000 module (FCC ID: J9CGOBI2000-L). This product was initially certified by the Commission on January 6, 2009 under the FCC ID: J9CGOBI2000.

There is no hardware or electrical modification made to the applying modular transmitter itself.

The purpose of this Class II Permissive Change is as follows:

Authorizes the Gobi2000 module for installation in Lenovo model TP00004A Tablet. Collocated transmitters are authorized as part of a Class I permissive change, provided the collocated transmitter meets the requirements specified in KDB 447498 and the tablet installation instructions included as part of this Class II Permissive Change.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Forrester". The signature is fluid and cursive.

John Forrester
