

Applicant/Grantee	QUALCOMM Incorporated		
FCC ID:	J9CIEM6270		
Request for Modular Approval	<input type="checkbox"/>	Request for Limited Modular Approval	<input checked="" type="checkbox"/>
	Requirements	EUT Conditions	Comply (Y/N)
Single Modular Approval Requirements			
1	The final device is designed for mobile or fixed operation (Portable is not permitted – Reference TCB Exclusion List (17 July 2002) II (g)).	Host devices are not specifically identified for the IEM6270. Only fixed and mobile host devices are approved in the Limited Modular Approval.	Yes
2	The maximum antenna gain to allow compliance with RF exposure requirements is listed on the Grant of Certification for the module.	850 MHz: Documented 5dBi in MPE report to allow declared collocated operation. 1900MHz: 3dBi for compliance with the Part 24 maximum transmit power requirement	Yes
3	The licensed module must have a FCC ID label on the module itself. That FCC ID label must be visible through a window on the final device or it must be visible when an access panel, door or cover is easily removed. If not, a second label must be placed on the outside of the final device that contains the following text: Contains “FCC ID: XXXYYYYY”	The IEM6270 has a label on the device. Final devices must comply with FCC label requirements.	Yes
4	The Grant should include the following words in the device description or grant notes: “modular transmitter” or “transmitter module”.	Transmit Module	Yes
