1 SWOC-T E-label	4
1.1 Access 1.2 Other considerations	
Tables	
Table 1-1 E-label information	4

Table 1-1 lists the information displayed on the e-label and in the user manual.

Table 1-1 E-label information

Information	On e-label	In manual
FCC ID number	Х	—
15.19 statement ("This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.")	_	Х
Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment	_	Х

Contents of the e-label screen are as follows:

1.1 Access

Access to the required information on the e-label must be available based on the following requirements:

1. Users are able to access the information in no more than three steps in a device's menu.

Regulatory information can be accessed via **Setting** > **About** > **Regulatory information**.

No special access codes or permissions are required to go through the preceding steps beyond entering a user-defined password to protect against unauthorized access to the device.

- 2. The information is stored on the device; no special accessories or supplemental plugins (e.g., a SIM/USIM card) are required to access the information.
- 3. Integrators are required to provide specific instructions on how to access the regulatory information to the users in the submitted Integrator's Instructions.

1.2 Other considerations

Qualcomm Technologies, Inc., confirms that the SWOC-T regulatory information is programmed by the responsible party and the information is secured in such a manner that unauthorized parties or end users cannot modify it.
