Applicant: QUALCOMM Incorporated

Dear Sir/Madam:

Pursuant to the provisions of 47 CFR Section 0.457(d) and 0.459, and Section 552(b)(4) of the Freedom of Information Act., Qualcomm, Inc. is requesting the Commission to withhold the following exhibits as confidential documents from public disclosure indefinitely:

<u>File name</u>	<u>exhibit type</u>
BIOS Lock logic	Operational Description
Tablet Tx Control logic	Operational Description

Above mentioned documents contain detailed system/equipment descriptions and related information about the product in which QUALCOMM Inc. and Lenovo (Japan) Ltd. consider to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. The public disclosure of above documents might be harmful to our companies and would give competitors an unfair advantage in the market.

We have no request for 45 days short term confidentiality.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

John Forrester
Senior Staff Engineer
Qualcomm Incorporated
