

a Scott Fetzer company

MEMO

TO: FCC
From: Luigi Musto
Date: January 31, 2002
Re: FCC ID J9LDCMTXRX-1, 731 Conformation No. EA476094

The Location of the FCC ID nameplate will be on the backside of the Transmitter with the ID Number to the left of the belt clip. Please view picture below.

I have sent a PDF file of the label that will be used if approved.

Please let me know if there is anything else you need.

Sincerely,

Luigi Musto
Director of Quality Assurance
