FCC Class II Permissive Change Request Letter

Date: 2019.05.07

To FCC:

RE: FCC Permissive II Change Request for Company: Roseman Engineering Ltd. FCC ID: JAKFG3E

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Roseman Engineering Ltd., product description: Fleet Journal (FCC ID: **JAKFG3E**, Original Grant Date:2015-03-09). The mechanical construction itself has not changed. Here are the electrical changes:

1. Additional sources to 2.4Ghz Antennas, soldered and SMA plug
2. Additional option to second accelerometer
