Re: Applicant: SCA, Inc.
FCC ID: JCA-SPAV02M, JCA-SPAV02H, JCA-SPAV02HH
Application for Certification under Part 15.109

TCB Committee,

On behalf of SCA, Inc. we request Certification of the Sceptar UHF synthesized paging and monitor receiver in three operational frequency bands noted below. The UHF Septar pager is a monitor paging receiver intended for reception of voice communications on one of two discrete RF channels.

We request this Certification to include the three operational bands under individual FCC Identifiers, as follows:

Sceptar UHF Pager

<u>FCC Identifier</u>	<u>Model No.</u>	<u>Band of Operation</u>
JCA-SPAV02M	SP-AV02BM	(443-453MHz)
JCA-SPAV02H	SP-AV02BH	(453-463MHz)
JCA-SPAV02HH	SP-AV02BHH	(463-473MHz)

The required exhibits supporting this application are submitted along with this request for Certification. Please let me know if we might provide any further information in support of this request for Certification under Part 15.

Best Regards,
