applicable law.

How to obtain warranty support. Before submitting a warranty claim, we recommend you visit the support section at www.logitech.com/support for technical assistance. Valid warranty claims are generally processed through the point of purchase during the first thirty (30) days after purchase; however, this period of time may vary depending on where you purchased your product - please check with Logitech or the retailer where you purchased your product for details. Warranty claims that cannot be processed through the point of purchase and any other product related questions should be addressed directly to Logitech. The addresses and customer service contact information for Logitech can be found in the documentation accompanying your product and on the web at www.logitech.com/support.

Limitation of liability. LOGITECH SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, REVENUE OR DATA (WHETHER DIRECT OR INDIRECT) OR COMMERCIAL LOSS FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON YOUR PRODUCT EVEN IF LOGITECH HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Duration of implied warranties. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THIS HARDWARE PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THE APPLICABLE LIMITED WARRANTY PERIOD FOR YOUR PRODUCT. Additional Rights. Some states do not allow limitations on how long an implied warranty lasts, or allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or by country or other jurisdiction.

National Statutory Rights. Consumers have legal rights under applicable national legislation governing the sale of consumer goods. Such rights are not affected by the warranties in this Limited Warranty.

No Other Warranties. No Logitech dealer, agent, or employee is authorized to make any modification, extension, or addition to this warranty.

Warranty Periods. Please note that in the European Union, any warranty period less than two years shall be increased to two years.

Logitech address. Logitech, Inc. 6505 Kaiser Drive, Fremont, California 94555

Logitech Important Information Safety, Compliance, and Warranty

Safety information

WARNING! ELECTRIC SHOCK HAZARD: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS PRODUCT TO WATER.

Read and follow these instructions, heed all warnings, and keep this document for future reference.

- Your product is suitable for use in semi-tropical and moderate climates only. Set up your product in accordance with Logitech's product documentation, and place your product in a stable location so it will not fall and cause product damage or bodily harm. Operate your product only from the low-level, audio line output jack of your computer or audio component.
- Do not use your product near water, including dripping or splashing sources (e.g., indoor fountains), or near objects filled with liquids, such as flower vases or fish tanks.
- Do not use your product near heat sources (e.g., radiators, heat registers, stoves, open flames, such as lighted candles, or other heat-producing devices, such as audio amplifiers or TVs).
- Do not block ventilation openings or push objects into product vents, ports, or slots. Doing so may create an electric shock or fire hazard. Maintain a minimum distance of at least 15 cm (6 inches) around your product for sufficient ventilation. Covering ventilation openings with such items as newspapers, tablecloths, or curtains may impede ventilation and cause a fire.
- Do not, under any circumstance, modify your product's power cord and plug, including the power cord and plug to your product's power supply, if one has been included. If the plug does not fit into your AC outlet, have a certified electrician replace your obsolete AC outlet. Protect the power cord from being stepped on or pinched, especially where the cord exits the product or plugs into an AC outlet or power strip.
- Unplug your product during lightning storms or when it's not being used for long periods of time. Disconnect your product from the AC outlet by first turning off the product or by placing it in standby mode (see product documentation for more information) before unplugging the product's power cord from the AC outlet. Your product's power cord and plug must remain operational at all times, and the AC outlet (receptacle) should be near the product and easily accessible.
- Only use approved attachments and accessories specified by Logitech.

- Refer all servicing and repair to qualified service personnel. Servicing is required when your product does not operate normally, the power cord/plug has been damaged, the product has been exposed to water, rain, liquid, or moisture, the product has been dropped, or an object has been inserted into a product port or vent.
- For portable products or products weighing less than 7 kg (15 lbs), the product label may be found on the product stand, under a lid, or on the bottom of the product itself.
- Clean your product using only a dry cloth and no water or liquid.

Warning Symbols Explained

 This symbol is placed on the product to tell you to proceed with **CAUTION**. Refer to your product documentation before continuing. Find the section in the manual that pertains to the product feature or function referenced by this symbol.

 This symbol is placed on the product as a **WARNING**. Access to this area of the product is restricted. Failure to comply could result in an electrical shock hazard.

Caution: Battery Warning! There is a risk of explosion, fire, or chemical burns if a battery is replaced by incorrect type, mutilated, or exposed to conducting materials, liquid, fire, or heat (above 54° C or 130° F). Do not use or recharge a damaged rechargeable battery. Do not use or charge a battery if it appears to be leaking, discolored, deformed, or in any way abnormal. Do not leave a battery discharged or unused for extended periods of time. Do not mix battery types. **(Your product uses AA alkaline batteries.)** When a battery is misused, it may explode or leak, causing burns and personal injury. If a battery leaks, use normal precaution and discard it immediately following the local laws and regulations in your area.

Power supply warning: Caution electric shock/fire hazard! For indoor use only. Do not expose to moisture, liquid, or heat. Do not use any other power supply with your Logitech product.

Important ergonomic information. Long periods of repetitive motion using an improperly set-up workspace, incorrect body position, and poor work habits may be associated with physical discomfort and injury to nerves, tendons, and muscles. If you feel pain, numbness, weakness, swelling, burning, cramping, or stiffness in your hands, wrists, arms, shoulders, neck, or back, see a qualified health

professional. For more information, please read the Comfort Guidelines located on the Logitech™ web site at <http://www.logitech.com/comfort>, or on the Logitech® Software CD.

Your Keyboard Controller only works with Logitech Revue™ and HDTVs that are fully compatible with Google TV™.

Additional compliance information. To obtain additional information about other compliance-related matters, go to <http://www.logitech.com/compliance>.

FCC – United States and Canada

This hardware device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation. Compliance Information Statements: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1) Reorient or relocate the receiving antenna. 2) Increase the separation between the equipment and receiver. 3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. 4) Consult the dealer or an experienced radio/TV technician for help. Modifications to this product not authorized by Logitech could void your right to use or operate this product by the FCC. Where shielded interface cables or accessories have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC regulations.

Canada (C) Statements: Corded products: This Class B digital apparatus complies with Canadian ICES-003. Cordless (Radio Transmitter) products: Section A. RSS-310 (27 MHz

transmitters and receivers): This Category II radio communication device complies with Industry Canada Standard RSS-310. Section B. RSS-210 (2.4 GHz transmitters or transceivers): This Category I radio communication device complies with RSS-210 of Industry Canada.

Déclarations IC Canada: Produits filaires: Cet appareil numérique de catégorie B est conforme à la norme canadienne NMB-003. Produits sans fil (émetteur radioélectrique): Section A. CNR-310 (émetteurs et récepteurs 27 MHz); ce dispositif à communication radioélectrique Catégorie I est conforme à la norme Industry Canada CNR-310. Section B. CNR-210 (émetteurs et récepteurs 2,4 GHz); ce dispositif à communication radioélectrique Catégorie I est conforme à la norme Industry Canada CNR-210.

Logitech hardware product limited warranty

Logitech warrants to the original purchaser that your Logitech hardware product shall be free from defects in material and workmanship for the period of time, identified on your product package and/or contained in the user documentation, from the date of purchase. You may also find this information by selecting your product in the Online Support section of our website at www.logitech.com/support. Except where prohibited by applicable law, this warranty is nontransferable and is limited to the original purchaser. This warranty gives you specific legal rights, and you may also have other rights that vary under local laws.

Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, (1) to repair or replace the hardware, or (2) to refund the price paid, provided that the hardware is returned to the point of purchase or such other place as Logitech may direct with a copy of the sales receipt or dated itemized receipt. Shipping and handling charges may apply, except where prohibited by applicable law. Logitech may, at its option, use new or refurbished or used parts in good working condition to repair or replace any hardware product. Any replacement hardware product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer or for any additional period of time that may be applicable in your jurisdiction.

This warranty does not cover problems or damage resulting from (1) accident, abuse, misapplication, or any unauthorized repair, modification or disassembly; (2) improper operation or maintenance, usage not in accordance with product instructions or connection to improper voltage supply; or (3) use of consumables, such as replacement batteries, not supplied by Logitech except where such restriction is prohibited by

INSIDE

RF exposure warning

This equipment must be installed and operated in accordance with provided instructions and the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provide with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance.
