

TEST SETUP PHOTOGRAPHS

This document contains 8 photographs

Photograph No.1
Radiated emissions measurement test setup below 30 MHz

Photograph No.2
Radiated emission measurement test setup from 30 to 1000 MHz

Photograph No.3
Radiated emission measurement test setup from 1 to 18 GHz

Photograph No.4
Radiated emission measurement test setup from 26.5 to 40 GHz

Photograph No.5
Radiated emission measurement test setup above 40 GHz

Photograph No.6
Band edge emission measurement setup

Photograph No.7
Conducted emission measurement test setup

Photograph No.8
Conducted emission measurement test setup
