Re: FCC ID: JEH2381GATE

To Whom It May Concern:

The following application is submitted on behalf of our client, NCR Corporation, for evaluation of their model 2381GATE for certification under FCC Part 15.225.

The 2381GATE is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into host devices. The 2381GATE was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
