

Federal Communication Commission
P.O. Box 429
Columbia, MD 21045

Date: July 13, 1999

Subject: Agency Agreement

I hereby appoint United States Technologies to act as our agent in the preparation of an application for equipment authorization of NCR model number 7710 under Part 15 of the FCC Rules and Regulations. I certify that Sections 3 & 4 _____ properly describe the device or system for which authorization is sought, that the information described in the User's Manual will be provided with each item manufactured or distributed by the applicant, and that the labels described by Section 3 _____ will be affixed to each item manufactured or distributed by the applicant. I further certify that appropriate arrangements have been made to assure that production units of this equipment bearing the name and FCC IDENTIFIER listed in this application will continue to comply with the Commission's requirements.

I further certify by signature below that no party (per 47 CFR 1.2002(b) to the application is subject to a denial of Federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

This appointment also includes the authority to complete FCC Form 731 on our behalf and sign the application as an authorized agent.

Authorization and Evaluation Division
Federal Communication Commission Laboratory
7435 Oakland Mills Road
Columbia, MD 21045

Subject: Letter of confidentiality for the NCR 7710 System

NCR respectfully request confidentiality of certain material provided with the submission of the 7710 system under FCC ID: JEH7710GA2 in accordance with FCC Regulations 0.459. The confidentiality request applies to the principals of operation, circuit diagrams, and schematics contained in _____ Sections 4 & 6. The 7710 system has been developed at considerable effort and expense by NCR Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

Thank you in advance for your positive assistance in this matter.

Regards
