RE: Confidentiality Request for Afi2GO (High-F)

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.457 and 0.459.

We have requested that the Antenna Information, Functional Description, Technical specifications, Theory of Operation and Block diagram required to be submitted with this application be withheld from public review.

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

The manual is only provided for use by trained technicians and is not available to the general user from S.A.E. Computerized Dairy Management Systems website.

Thank you very much.
