

To: Linda Elliott,

Correspondence Reference Number: 29415
731 Confirmation Number: EA345054

I have four applications in the process of being reviewed for equipment authorization.

FCC ID: JF68705U-155	Form 731 Confirmation: EA345054
FCC ID: JF68705U-52	Form 731 Confirmation: EA607031
FCC ID: JF68705U-16	Form 731 Confirmation: EA299647
FCC ID: JF68705U-8	Form 731 Confirmation: EA244352

I had several problems trying to input information to the online applications. One being the FCC ID, our company ID is JF6 and the equipment type should be followed by a hyphen. The above FCC IDs need to be changed to add a hyphen between the company (grantee) ID and the equipment type as indicated below:

FCC ID: JF6-8705U-155
FCC ID: JF6-8705U-52
FCC ID: JF6-8705U-16
FCC ID: JF6-8705U-8

Could you make these changes to my applications?

Please call if you need any additional clarification, information or if it's going to delay the applications.

Thanks,

Troy Taylor
